## **The Boston Globe names Cambridge Associates LLC to Globe 100's Top Places to Work '09**

Boston, MA (November 10, 2009) – **Cambridge Associates LLC**, provider of independent investment advice and research to institutional investors and private clients, has been named one of the Top Places to Work in Massachusetts in the second annual employee-based survey project from The Boston Globe. The Globe 100's Top Places to Work '09 magazine was published in the Sunday Globe on November 8. Online, the report can be found at [www.boston.com/topworkplaces](http://www.boston.com/topworkplaces).

Produced by the same team that compiles the 22-year-old Globe 100 report of the best-performing public companies in Massachusetts, the Top Places to Work recognizes the most progressive companies in the state based on employee opinions about company leadership, compensation and training, diversity/inclusion, career development, family-friendly flexibility, and values and ethics. Private companies and nonprofits as well as publicly-held businesses were included in the analysis.

The rankings in the Globe 100's Top Places to Work are based on survey information collected by Workplace Dynamics, an independent company specializing in employee engagement and retention, from 86,000 employees at 269 Massachusetts organizations. This marks the second year that a Globe 100 report has honored private as well as publicly-held organizations.

Cambridge Associates was ranked 63 on the overall list.

Said Sandra A. Urie, President and CEO of Cambridge Associates, "At Cambridge Associates, we take great pride in serving our clients and striving to provide them with the very best advice and service. That dedication is reflected in the camaraderie, intellectual curiosity and sense of mission that, I believe, are hallmarks of the Cambridge Associates work environment. It is a pleasure to work with such a terrific group of colleagues."

The publisher of The Boston Globe, Steve Ainsley stated, "The companies included in the Globe 100's Top Places to Work have succeeded in creating a positive workplace for their employees in the midst of the uncertainties of the general economy. I congratulate each of them for an outstanding accomplishment."

To qualify for the Globe 100's Top Places to Work, a company must have more than 100 employees in Massachusetts. Nearly 1,000 qualified companies accepted an invitation to participate. Rankings were composite scores calculated purely on the basis of employee responses.
