INSTITUTIONAL INVESTOR NAMES CAMBRIDGE ASSOCIATES' JAMES P. MNOOKIN 'HEDGE FUND CONSULTANT OF THE YEAR'

BOSTON, MA (June 24, 2011) – Cambridge Associates, provider of independent advice and research to institutional investors and private clients, congratulates Managing Director **Jim Mnookin** for being named “Hedge Fund Consultant of the Year” by *Institutional Investor Magazine* at the [9th Annual Hedge Fund Industry Awards](#).

“Jim Mnookin is a great partner to our clients and has a track record of providing intelligent advice. We are proud that *Institutional Investor* has recognized his talents,” said Scott A. Berney, President and Chief Operating Officer of Cambridge Associates.

Mr. Mnookin advises private clients, universities, independent schools, foundations and pension clients based in the U.S. and U.K. His clients’ portfolios range in size from \$25 million to \$125 billion. He is a member of Cambridge Associates’ Hedge Fund Advisory Committee and works both as a generalist on total portfolios and as a hedge fund specialist, helping clients develop and implement hedge fund programs.

Prior to joining Cambridge Associates in 2000, Mr. Mnookin was a Vice President at Goldman Sachs Asset Management. He holds a PhD and MPA from the Woodrow Wilson School of Public and International Affairs at Princeton University and a BA in Economics from Harvard College.

About Institutional Investor’s Annual Hedge Fund Industry Awards

Institutional Investor magazine's **9th Annual Hedge Fund Industry Awards** recognized the hedge funds, funds of hedge funds, seeder firms, investment consultants, endowments, foundations, family offices, corporate funds and public funds who stood out for their innovation, achievements and contributions to the industry in 2010. Hedge Fund Consultant of the Year nominees helped craft robust hedge fund investment programs for institutional investors, provided shrewd advice, especially in a down market, and demonstrated their ability to explain complex hedge fund strategies to investment boards.
